### To Whomsoever It May Concern

This is to certify that in August, 2025, **MasterArt Logistics Pvt. Ltd.** successfully executed and managed the complete scope of fine art logistics services, including specialized packing, custom crating, international transportation, customs handling, and final installation support, for the artworks belonging to Pero, Boito, and Kaimurai.

These services were provided for the prestigious international event, "Cheongju Craft Biennale – Special Exhibition, Hyundai Series: Entangled and Woven, 2025", held in Cheongju, Republic of Korea. The project required a high level of expertise in handling delicate and valuable artworks, ensuring their safety and preservation throughout the entire logistics process.

MasterArt Logistics Pvt. Ltd. ensured that all artworks were packed using museum-grade materials and international standard crating techniques, followed by secure and climate-conscious transportation. All shipments were handled in compliance with international fine art shipping protocols, maintaining the highest standards of care and precision.

Additionally, in January 2026, MasterArt Logistics Pvt. Ltd. efficiently coordinated and managed the return shipment from South Korea to India, ensuring safe and timely delivery of all artworks to **The National Crafts Museum & Hastkala Academy, New Delhi**. Upon arrival, the team also assisted in the careful unpacking and professional installation of the artworks as part of the exhibition setup.

Throughout the project, MasterArt Logistics Pvt. Ltd. demonstrated exceptional professionalism, reliability, and attention to detail, ensuring seamless execution at every stage. Their expertise and commitment played a crucial role in the successful handling and presentation of the artworks at both international and domestic levels.

We highly appreciate their dedicated services and would recommend them for any fine art logistics and exhibition handling requirements.
